CLINICAL TRAINING EXPERIENCE

- 2022-2023 **Dialectical Behavior Therapy (DBT) Intensive Training**
Behavioral Tech, Linehan Institute Training Company
52-Week Intensive training and supervision in DBT, Supervised by Randy Wolbert, MSW.
- 2019-2020 **Dialectical Behavior Therapy (DBT) Intensive Training**
Behavioral Tech, Linehan Institute Training Company
52-Week intensive training and supervision in DBT, Andrada Neacsiu, Ph.D.
- 2019 **Dialectical Behavior Therapy (DBT) Foundational Training**
Behavioral Tech, Linehan Institute Training Company
16-Week intensive training in the foundational theory and skills of DBT.
- 2017 **Dialectical Behavior Therapy (DBT) Skills Training for Children and Adolescents**
One day training presented by Jean Eich, Ph.D., LP

Dialectical Behavior Therapy (DBT-C) is for treating challenging child and adolescent emotional and behavior disorders. This seminar focused on implementation of the DBT skills needed to be more effective in treatment, avoid burnout, and achieve positive outcomes in working with children and adolescents.
- 2017 **4-Day Intensive Dialectical Behavior Therapy (DBT) Training**
Presented by Lane Pederson, Psy.D., LP, DBTC.

Intensive DBT training to stay abreast of current techniques and literature. Original DBT intensive training attended in 2004.

- 2010 **Motivational Interviewing Network of Trainers (MINT)**, San Diego, California
Three-day intensive training for advanced clinicians in Motivational Interviewing. Training workshop consisted of a select 120 individuals from around the globe, which after completion allows participants into the MINT.
- 2005-2007 **Psychology Resident**, Fountains Medical Plaza, Plantation, Florida

Conducted individual therapy for anxiety and mood disorders, substance use disorders, eating disorders, and personality disorders and conducted psychological testing for children, adolescents and adults in an outpatient private practice group under the supervision of Dawn M. Reilly, Psy.D.
- 2004-2005 **Psychology Intern**, Medical University of South Carolina, Charleston, South Carolina

Behavioral Medicine Specialty. Provided individual assessment and treatment of patients on 4 rotations: Counseling and Psychological Services, Weight Management Center, Center for Drug and Alcohol Treatment, and Veteran Affairs Neuropsychology Department. Intakes, comprehensive assessment, and therapy using multiple CBT modalities, including training and use of Dialectical Behavior Therapy (18 hour intensive DBT training with subsequent year of implementation and supervision). Responsibilities also included conducting public outreach, conducting training workshops, and attending clinical/research seminars.
- 2003-2004 **Group Counseling Trainee**, Guided Self-Change Clinic, Nova Southeastern University Community Mental Health Center, Fort Lauderdale, Florida

Lead facilitator for support groups at Broward Outreach Center for the treatment of homeless individuals with alcohol and/or drug problems. Weight management groups at Nova Southeastern University targeted toward healthy eating behaviors. Groups addressed problem-solving skills relating to substance abuse and interpersonal and emotional difficulties under the supervision of Linda C. Sobell, Ph.D., ABPP.
- 2002-2003 **Psychology Trainee**, Florida Atlantic University, Clinical Practicum, Student Counseling Center, Davie Campus, Florida

Provided individual and couples therapeutic counseling to a diverse population of students with psychological difficulties and disorders. Required assessment, psychological testing, and treatment of a wide range of anxiety disorders, mood disorders, substance use disorders, eating disorders, and personality and adjustment disorders under the supervision of Valerie Lannon, Psy.D. and Dawn Reilly, Psy.D.

2001-2002

Psychology Trainee, Guided Self-Change Clinic, Clinical Practicum, Nova Southeastern University Community Mental Health Center, Fort Lauderdale, Florida

Provided individual assessment and treatment for clients with alcohol, tobacco, eating, gambling, and/or drug problems through Motivational Interviewing under the supervision of Mark Sobell, Ph.D., ABPP. Co-led group therapy for self-referred and court-ordered individuals with substance abuse and interpersonal and emotional difficulties under the supervision of Linda C. Sobell, Ph.D., ABPP.

2001-2002

Psychology Trainee, 7th Avenue Broward Family Medical Center, Fort Lauderdale, Florida

Provided therapeutic counseling to medical patients with alcohol and/or drug problems. Addressed difficulties with medication compliance. Supervised by Linda C. Sobell, Ph.D., ABPP and David Max, Ph.D.

2001

Psychology Trainee, One Stop Program, Coconut Creek, Florida

Provided assessment of inmates with alcohol and/or drug problems incarcerated for domestic abuse offenses for treatment in group therapy under the supervision of Linda Sobell, Ph.D., ABPP.

1999

Director, of Smart Moves Program, Fort Lauderdale, Florida

Developed and taught prevention and intervention program to high-risk children. Provided therapeutic counseling to abused and neglected children under the supervision of John Malouff, Ph.D., J.D.

1999

Counseling Trainee, Challenges, Inpatient Drug Rehabilitation Center, Fort Lauderdale, Florida

Assisted group counselors with group sessions and attended educational seminars. Supervised by Bobbie Hayes, M.S., C.A.P.

1998-2000 **Crisis Counselor**, First Call for Help of Broward, Fort Lauderdale, Florida

Completed 50 hours training for certification in Crisis Intervention. Provided therapeutic counseling over the telephone as well as suicide assessment, crisis intervention, and crisis management. Assessed callers and provided appropriate referrals. Supervised by Betty Kukin, M.S.

JOB RELATED EXPERIENCE

2016-Current **Co-Founder**, Institute for Life Renovation, LLC, Fort Lauderdale, Florida

The Institute for Life Renovation, LLC (ILR) is an Intensive Outpatient Program that provides personalized intervention for patients with complex needs. Treatment planning is based on in-depth clinical interview and prescribed psychological testing along with a team consultation to provide a multidisciplinary intervention. Services include individual, group, and family psychotherapy, medication management, career assessment/counseling, financial wellness, dietitian services, group therapy, art therapy, and yoga. ILR house a fully adherent Comprehensive DBT program complete with 24-hour coaching and ongoing DBT team consultation.
